Benefits Of Using Grenadier's Preferred Lenders:

Dedicated Grenadier file loan processors for smoother and faster closings.

Competitive pricing. We recommend you compare rates, origination and closing costs, fees, and title policy cost.

Greater knowledge of homes and community features resulting in a better chance at competitive appraisal.

All of the above usually leads to a smoother and more pleasant process.

Mortgage Lenders

Grenadier offers a selection of preferred mortgage lenders to assist in financing your new Grenadier home.

Because of the relationship our preferred lenders have with Grenadier, they are very familiar with Grenadier homes and the purchasing process. This familiarity will help to facilitate the purchase of your Grenadier home.

There is no obligation to use any of Grenadier's preferred lenders, however if you are interested one of Grenadier's sales counselors would be happy to make an introduction for you. We suggest that you meet with more than one in order to ensure that you have the best possible closing experience.
